

GUESS WHO IS COMING TONIGHT!

Dimitris strikes again!

Which hero would you invite to Christmas dinner?

- Hello, my Erasmus friends!
- I was thinking since Christmas holidays are coming which hero (from comics, movies or books) would you like to invite to Christmas dinner?
- What would the menu have?
- What would you ask him/her?
- What music would you listen to?
- How would you spend the night?

FIRST THOUGHT: OBÉLIX

- At first, I thought of Obélix!
- He is kind, strong and he is funny!
- But he eats a lot!
- I will need at least 10 turkeys, 10 kilos of melomakarona, 10 liters of soft drinks and 10 kilos of mashed potatoes!!!
- I do not have so much money!
- Ouch! Should I call someone else?

SECOND THOUGHT: INSPECTOR GADGET

- Then, I thought of Inspector Gadget!
- He is nice, polite and doesn't eat much!
- But, he will talk about his police affairs all night!
- And what if he wants to search my house?
- What if he starts making mistakes?
- Ouch! Should I call someone else?

NEXT PLEASE!

FINAL THOUGHT: THOR

- In the end, I decided to call Thor.
- He is popular, smart, a king and a good fellow!
- We would talk about life on his planet, what it's like to be a superhero and how he comes down to earth!
- We would eat kourabiedes, hamburgers, pizza and melomakarona! ... But also braised beef (kokinisto), which my mom would cook!

CHRISTMAS DINNER WITH THOR!

- We would listen to music and we would dance!
- I think that he would like pop and rap music!
- We would go for a walk on his planet, just to have a look at it and I would ask him: “How can I be a superhero, too?”
- Our evening would be calm, nice and fun!

Thor and I will have
the best Christmas dinner ever!

MERRY CHRISTMAS!
Best wishes from Dimitris!
